Series Guide *for March 2012*

God – our Creator.

That's how our God Book readings for 2012 began.

In February, we saw how God began preparing the *"children of Abraham"* to provide a Redeemer for us humans – because we broke what He originally gave us. That's why Jesus came (like we've read from John's Gospel).

Now, March's readings will prepare us for Christ's actual act of **redeeming us**. I pray Scripture prepares us well for the Good Friday and Easter victories of our Jesus!
