### Farewell to Pastor April Bennett

Two weeks ago, I sat down with **Pastor April Bennett**, APC's Lead Children's Pastor, who shared with me some bittersweet news. Her husband, Phil, had been offered a great position with his former company that would require a location change from the GTA to the Maritimes. And after prayer and consideration, they decided to go for it; meaning that April will be unfortunately leaving our staff and church early to mid-spring of this year.

In knowing both April and Phil for close to eleven years, I know how much of a difficult decision this must have been for them. Their heart and DNA are as APC as you can get, and this has been echoed by Pastor, our Student Ministries team and Pastor April's Children's Ministry lead team. All are understanding of this change but none of us like it because we all like her and Phil so much! And while saying goodbye so soon is difficult, to have had them with us for this short amount of time has been more than worth it.

To quote April directly,

*I could never truly express to you how difficult this decision has been and perhaps even face to face I would not find the words to express how difficult this is for even me to understand. My time at APC has been excellent. I have truly had a fantastic experience here and had personally felt that I would serve with APC for many years to come. However, I believe that God directs our steps and He is faithful to see us through. Just as I believe His hand is over the lives of my family, I believe that God has already gone before APC in this situation and has a perfect plan for His church. I assure you that we have felt blessed beyond measure to serve at APC and had this situation not arisen, we had hoped to serve here for many years to come.*

Please keep April and Phil in your prayers as they do the difficult job of finishing well here while preparing for their next chapter in Nova Scotia.
