Helping Others Around the World

I just received a letter of thanks for the Chief Executive Officer of Emergency Relief and Development Overseas (ERDO). He called our continued partnership “nothing short of staggering”. Then he listed off what we gave to help people in East Africa, Haiti, Japan, Pakistan, Sudan, Kenya and Turkey.

Then he provided statistics for all of our Pentecostal Assemblies of Canada churches for just this humanitarian portion (ERDO) of missions giving.

- Over 1.5 million people have been helped this past year through ERDO’s programs
- 1.95 million dollars provided food for famine victims in East Africa
- 295 women have received microfinance loans in the Congo
- Emergency kits in Japan...

It’s good to see what our giving, combined with other PAOC Churches has done just in the past year.
